2023 Vegetation Management Plan

Following review and comment by the Council on March 27, 2023, and a community engagement period which included both an in-person open house and an on-line storyboard and survey in April, City of Shorewood staff has prepared the 2023 Vegetation Management Plan, also known as the Integrated Pest Management Workplan. This workplan includes the following:

Minimizing weed growth on athletic fields, and prioritizing resources on Freeman Park, followed by Cathcart and Manor parks.

Tolerating higher amounts of weeds in open areas and other parts of the parks.

Completing alum treatment and safer chemical treatment of Manor Pond.

Determining the feasibility of options to address turf conditions in Badger Park.

Maintaining trails using hand and weed whips in the following priority: Smithtown Trail, Vine Hill, Minnetonka Country Club open space trails.

Continuing to evaluate the City's emerald ash borer response and prepare a future recommendation.**

***Respondents were split on emerald ash borer; about half indicated proactive treatments are important, the other half suggested stopping treatments and removing the trees when they are infected.*

TAI CHI FOR HEALTH – SUN 73 FORM

**Shorewood Community & Event Center
5735 Country Club Road**

Moving meditation helps us find balance both physically and mentally. Tai Chi brings us back to the slow or yin phase of nature, with life often being hectic and fast paced (yang). The powerful Qigong exercise throughout Sun Style improves the flow of “Qi” or inner life energy throughout the body. Research shows that regular Tai Chi practice has many health benefits, can prevent many health problems, and helps people manage existing conditions. Modified movements help make it easier to learn and safe and enjoyable for all who attend. Each class will build on the one before it. Regular attendance will help you progress. Registration due one week prior to start date.

Opening on Shorewood City Council

The Shorewood City Council is seeking to fill a vacancy following the resignation of Patrick Johnson. Among many other functions, Shorewood City Council Members are responsible for establishing priorities, making policy decisions, enacting ordinances, adopting the budget, and making personnel decisions. City Council Members serve at large, meaning they represent the entire city and not a specific ward or section of the city.

To be considered for appointment to the Shorewood City Council, please apply online or submit a paper application to City Administrator Marc Nevinski at mnevinski@ci.shorewood.mn.us or in-person at Shorewood City Hall, 5755 Country Club Road. **Deadline to apply is June 9, 2023 at 12:00 pm.** Additional info and application at ci.shorewood.mn.us/careers

TIPS TO RECYCLE BETTER

Small Plastic Items

Don't place small plastic items – like straws, plastic utensils, or loose caps in the recycling cart. They fall through the recycling facility sorting equipment and get trashed instead.

Recycling at Gatherings

Summer gatherings don't need to be trashy! Make a plan to use compostable or reusable plates, cups, and utensils. Recycle those cans and bottles too!

Recycling Calendar

Public Improvement Projects

Updates are available online and via email for all current projects. Learn more and sign up at ci.shorewood.mn.us/projects.

STRAWBERRY LANE

In June, the roadway contractor will be mobilizing equipment, materials, silt fence, and other miscellaneous items to the site. These materials will be staged in the boulevard locations of the project area. Once the project begins, equipment and materials will be periodically installed and shifted around the site. If you are a resident traveling through the neighborhood, please be patient with delivery crews and contractors on-site.

BIRCH BLUFF ROAD

Phase 1 in the Birch Bluff neighborhood has begun, and utilities work for Phase 2 will continue this month. Storm Sewer Utility Construction is also tentatively scheduled to begin in June. Road closures, parking restrictions, and other crucial updates will be communicated via email and on-site by construction staff.

Road construction provides the cheapest and best opportunity for your neighborhood to get water. To find out if water is available at your home, call City Hall at 952.960.7900.

Excelsior Fire District & City of Shorewood Welcome New Assistant Chief

The City of Shorewood is happy to welcome Nate Basinger as Assistant Chief of Excelsior Fire District. For several years, Assistant Chief Basinger had wanted to join the fire department in his hometown, but there was a waiting list every time he applied. Moving to Shorewood gave him an opportunity to serve in a new community, and he joined the Excelsior Fire District in 2019.

He is most looking forward to working with Chief Mackey to help the department meet the evolving needs of the district, and to keep firefighters at the forefront of continuous improvement and proficiency. When asked about his favorite thing about this job, Assistant Chief Basinger says, "I love that there's always more to learn. It's a career

that can and should be defined by a continuous effort to learn new skills and tactics and improve upon the ones you already have. I love to train and put in hard work, and the fire service provides a near limitless opportunity for both."

2022 Consumer Confidence Report

The Consumer Confidence Report, also known as the drinking water report, is published each year by the city. The current report covers testing that took place on the city water system in 2022 and can be found on the city's website http://www.ci.shorewood.mn.us/services/water_report.php, or scan the QR code below. A paper copy can be requested in person at City Hall, 5755 Country Club Road.

Information in the water report is for residents connected to city water. Residents with wells are encouraged to have the water tested by a licensed facility. More information can be found on the city's website.

If you have any questions regarding the water report, please contact City Hall at (952) 960-7900.
