METER READING

Your name
Your address
Shorewood, MN 55331

If there is an "E" after
consumption this is an
estimated usage, most
likely due to a meter
problem. Please call
the city for meter repair.

*Charge explanation:

- Water is for city water usage.
- State test surcharge is mandated by the Minnesota Department of Health to cover costs of testing.
- Sewer is for all properties and pays for sanitary sewer--all water going out of your home.
- The storm water charge is based on the type and size of your property.
- Recycling is divided among all properties and pays for monthly collection.
